“The Hero path...where we had thought to find an abomination, we shall find a god; where we had thought to slay another, we shall slay ourselves; where we had thought to travel outward, we shall come to the center of our own experience; where we had thought to be alone, we shall be with all the world.

~Joseph Campbell

Wallowing in the past may be good literature. As wisdom, it's hopeless. Time Regained is Paradise Lost, and Paradise Lost is Time Rgained. Let the dead bury their dead. If you want to live at every moment as it presents itself, you've got to die to every other moment.

~Aldous Huxley

You can't cross a sea by merely staring into the water.

~Rabindrinath Tagore
